Usage of Restricted Availability Rentals may be obtained by submitting a written request to the PVC Camp Maintenance Committee no later than the regularly scheduled Committee meeting the month prior to your need. The Camp Maintenance Committee will determine fees and other requirements of use during that meeting.

CAMPSITE USAGE:

Knox Area- That includes Summer Camp tent sites and most program areas are not available for off season tenting. Ranger should be consulted.

Woronoak Area- Open year round for tenting. Consult Ranger.

Frontier Area - Open year round for tenting. Consult Ranger.

GROUNDS AVAILABILITY FOR GENERAL CAMPING:

All camping is to be done in designated areas only. Consult Ranger.

CAMP MOSES LIMITED ACCESS FACILITIES:

LAKE

WATERFRONT KNOX

RIFLE/SHOTGUN/ARCHERY RANGES

WATERFRONT WORONOAK

C.O.P.E. COURSE

WATERFRONT FRONTIER

ROCK CLIMBING/REPELLING

The Council Camp Maintenance Committee must approve usage of these facilities/activities. Qualified supervision is also required for usage. Qualified Supervision is defined as someone with authority and who is properly certified by the Boy Scouts of America. The Pioneer Valley Council, BSA, must recognize certification.

ADVANCED BOOKING DATE PREFERENCE:

Council and District.....August 13 (EVENT SHEET REQUIRED)

2007 Moses Summer Camp Units.....August 27

Units.....September 4

Out of Council.....September 10

Non Scouting Groups.....September 24

***Exceptions to this calendar can only be made by approval of the Camp Maintenance Committee.

RATES FOR CAMP AND BUILDING USAGE:

A current rate schedule will be available at the Pioneer Valley Council Service Center prior to the start of the rental season.

TRASH:

A dumpster is provided in a central area for refuse which is not burnable. Please remember- "A Scout is Clean!!!"

Troops are encouraged to take their trash home for disposal. This will help control overall costs.

PARKING:

Parking should be in designated lots or at the direction of the camp Ranger.

FIREWOOD AND WINTER CAMPING:

The Camp Maintenance/Administration Committee recommends that units bring their own firewood for use in the wood-burning stove in each cabin, at least for Friday nights. Come prepared with axes and saws to collect and cut firewood for the remainder of the weekend. Please note that chainsaws are prohibited in scout camp. This is a new national BSA safety regulation.
